Bosworth Community Centre

Activities and groups

Bosworth Community Centre is located in Chelmsley Wood and provides a range of community-focused activities including arts and crafts, community bingo, community lunch club, yoga classes and much more.

We strive to be a community hub powered by the local community itself. Pop in to find out information, ask questions and see what's going on.

If you need a room to start a community group or for a meeting, you can book a room free by talking to a member of staff.
